Notes

1. With certain minor exceptions, which can be explained to you by the local planning department, Conservation Area Consent is required under Section 74 of the Planning (Listed Buildings and Conservation Area) Act 1990 for the demolition, total or partial (e.g. of a bay window or chimney stack) of any building in a conservation area.
2. The local planning department may need to consult several interested parties, such as the local civic or historical society, about your proposal. You are asked to discuss this informally with the staff of your local planning department who will advise you on the number of copies required.
3. In the light of DOE guidance, in cases where the demolition of a building in a Conservation Area is likely to be followed by redevelopment of the site, consent for demolition will normally be given only in cases where there are acceptable and detailed plans for that redevelopment.
4. If an appeal is made to the Secretary of State concerning this application, the Regulations require that a copy of the following documents shall be provided for the Secretary of State by the appellant:
 - (a) the application made to the local planning department together with all relevant plans, drawings, particulars and documents (including a copy of the certificate) submitted with it;
 - (b) the notice of decision (if any) and all other relevant correspondence with the local planning department.
5. When making an application for Conservation Area Consent you must complete a Section 11 Certificate, which provides details of the ownership of the building.
Complete the Certificate on the application form if the applicant is the sole owner of all the land to which the application relates. (Owner means a person having a freehold interest or a leasehold interest with at least seven years unexpired).
If the applicant is not the sole owner, please complete the separate Section 11 Certificate which is available at your local planning office. This is necessary to let owners and tenants know about proposed developments.
If you do not know the name and address of the owner, there are other Section 11 Certificates which you should complete, and you should contact the planning department to discuss the matter.
Note that there is a penalty for knowingly or recklessly completing a false or misleading Section 11 Certificate.
